

Attention Lucas County Teens!

4-H Camp Week 2019 is set for July 27- July 31 at 4-H Camp Palmer in Fayette, OH!

While it may seem like camp is a long ways off, NOW is the time to begin planning and preparing for the AWESOME week we're sure to have.

One major piece of this planning process is finding a spectacular team of young adults to turn camp week into a polished and fine-tuned operation! We're thinking YOU may be able to help in this effort.

WHO SHOULD BE A COUNSELOR?

We are now accepting applications to fill about 20 counselor positions. Candidates should be reliable, energetic, and enthusiastic young adults between the ages of 14 and 18 by the start of camp (7/27/19). Being a camp counselor is serious business and a lot of hard work, but it is also a lot of fun. You **DO NOT** have to be a member of 4-H to be a 4-H Camp Counselor!

HOW DO I BECOME A COUNSELOR???

Fill out the counselor application (found at <http://lucas.osu.edu/4Hcamp>) and return it to the Lucas County Extension office. **Deadline for applications is Thursday January 31** January 31 postmarks will be accepted. Letters of acceptance and denial will be sent to candidates by the end of January.

Counselor Team Members will be expected to participate actively in training between February and June and may be cut from the team if their progress in trainings is of concern to the Extension or 4-H Camp Palmer staff.

It is our goal to provide a safe, fun, and educational program for the campers who participate. We will want to feel comfortable that you are ready to help us make this happen before camp starts. ...And we want you to feel confident enough about your role that camp week is just as fun for you as it should be for the kids you are serving!
