

Using 4-H Online - Campers!

4-H Camp Enrollment deadline is June 1st!

Ohio 4-H uses the 4-H Online system to manage all aspects of the 4-H program, including membership, events, projects, activities and communications. All youth and adults who participate in Ohio 4-H have a 4-H Online profile.

Creating your 4-H Online enrollment is easy and only takes a few minutes. 4-H Online profiles are family-based, which means every family has a “master” profile for each family involved in Ohio 4-H. A family profile may contain both youth and adults:

Youth Camper family members (ages 8 - 13 as of January 1)

- Eligibility for Camp Member participation begins when a child is age 8 **and** in third grade. Any youth age 9 or above is eligible for camp membership, regardless of grade level.
