

## Quick Tips for Successful 4-H Enrollment

4-H online is new and improved for 2021! Though the layout is different, most of features are still the same. It is also more mobile friendly – so it is easier to access on a mobile phone or smaller tablet.

**The county deadline for re-enrollment is March 1, 2021** – however, your club leaders may have established an earlier date for club purposes. Please use the steps below to complete your enrollment.

- Visit this direct link to enroll: [oh.4honline.com](http://oh.4honline.com)
- Returning members/families already have a profile – enter your password from the previous years and log in
- If you or another of your family members are already in the program or have been in recent years – please do not create a new profile
- The registration process allows you to update personal information annually such as; age, grade, contact information and years in projects etc.
- Years in 4-H and years in projects are for your own records but please be sure to check accuracy
- Cloverbud members – add project 710GPM Cloverbud Activities: 1
- If you are an 18-year-old member – enroll as youth not as an adult
- Once your enrollment has been approved, you will not be able to make any changes to your account – all changes will need to be made by contacting Elliott ([Lawrence.638@osu.edu](mailto:Lawrence.638@osu.edu))
