Supplemental Nutrition Assistance Program (SNAP)

What is SNAP?

SNAP, formerly called food stamps, is a federal program that helps people buy the food they need for healthy lives. SNAP provides benefits to eligible individuals and families via an Electronic Benefits Transfer (EBT) card.

The Ohio Direction EBT card can be used like a debit card to purchase groceries in authorized retail food stores and farmers markets. The amount you receive each month depends on your income and family size.

1 // Do I qualify for SNAP?

You may qualify if your household's gross monthly income is at or under 130% of the 2022 Federal Poverty Guidelines. Benefits are based on net income and family size.

Family Size	Gross Monthly Income	Max SNAP benefit
1	\$1,472	\$250
2	\$1,983	\$459
3	\$2,494	\$658
4	\$3,006	\$835
5	\$3,517	\$992
6	\$4,028	\$1,190
7	\$4,540	\$1,316
8	\$5,051	\$1,504

2// What do I need to apply?

Your county Job and Family Services (JFS) office handles SNAP applications. You might need any of the following documents:

- Proof of identity (Drivers License, State ID, Passport)
- Social Security card
- Proof of any income you receive
- Proof of assets, such as bank account statements
- Proof of housing costs and address
- Proof of disability (if you claim it)
- Permanent Resident Card or other immigration documents if not a US citizen

3// What happens next?

You can apply online at <https://ssp.benefits.ohio.gov> or you can complete a paper application and submit it to your local JFS office.

Answer as many questions as you can. If you are unsure about an answer, leave it blank and submit anyway to get the process started.

You will receive a notice from JFS with the date and time of your phone interview to verify your application.

You will be able to submit documents via mail, email, or in person. A determination of benefits will happen within 30 days.

4// What can I buy with SNAP?

Look for stores that have the Ohio Direction logo on their doors or windows. Some may have posters saying, "SNAP EBT accepted here."

You can buy food (fruits, vegetables, poultry, meat, fish, dairy products, cereals, breads, other snack foods, non-alcoholic beverages) as well as seeds or plants to grow food.

SNAP cannot be used to buy:

- Beer, wine, liquor, cigarettes, tobacco
- Vitamins, supplements, medicines
- Hot foods or foods heated in store
- Pet food
- Paper products
- Cleaning supplies
- Cosmetics and hygiene items

5// What other options are available?

Online Shopping and Delivery

Ohio Direction Card users can use an online ordering service (like Instacart) to order their food and pick up curbside or in some cases have food delivered.

The following Ohio retailers are providing this service:

- Acme Fresh Market
- Aldi
- Amazon.com
- Buehler's – Specific locations in Ohio.
- Giant Eagle
- Kroger - Specific locations in Ohio.
- Save A Lot
- Walmart

Check your local store for details.

Produce Perks

Ohio Direction Cards are also accepted at select farmers markets across Ohio.

The Produce Perks program provides a \$1-for-\$1 match on fruit and vegetable purchases using SNAP/EBT (limit \$25 per day).

- Visit the farmers market information booth before you shop.
- Determine how much you want to spend in SNAP dollars. Swipe your EBT card. You will receive SNAP tokens and an equal amount of Produce Perks tokens.
- Tokens are like cash- they cannot be replaced and do not expire!
- To find a location near you, visit produceperks.org/locations

Special Supplemental Nutrition Program for Women, Infants, and Children (WIC)

What is WIC?

The Ohio WIC program is administered by the Ohio Department of Health. WIC helps income eligible pregnant and breastfeeding women, women who recently had a baby, infants, and children who are at health risk due to inadequate nutrition.

WIC provides supplemental, highly nutritious foods such as cereal, eggs, milk, whole grain foods, fruits and vegetables, and iron-fortified infant formula; education and support services, and referrals to prenatal and pediatric health care programs.

1 // Do I qualify for WIC?

Are you a pregnant or breastfeeding woman? A woman who recently gave birth? A child under age 5?

You may qualify if your household's gross monthly income is at or under 185% of the 2022 Federal Poverty Guidelines.

Family Size	Gross Monthly Income
1	\$2,096
2	\$2,823
3	\$3,551
4	\$4,279
5	\$5,006
6	\$5,734
7	\$6,462
8	\$7,189

2// What do I need to apply?

Your county WIC offices handle WIC applications. You might need any of the following documents:

- Proof of identity and Ohio residency (Drivers License, State ID, Passport)
- Proof of Income
- Statement from health professionals of medical/nutritional risk
- Verification of pregnancy

3// What happens next?

You will need to schedule an appointment with your local WIC office (see other side for contact information).

At your appointment, bring all of your necessary documents with you. If you are applying on behalf of a child, the child

must be present at the appointment as well.

At the appointment, a doctor, nurse or nutritionist will determine if you have any medical risks. Risks can include poor diet, anemia, being underweight, being pregnant at 35 or older, a history of pregnancy complications or other medical challenges.

Ohio WIC is considered a short-term program. Depending on the persons condition, either pregnant, postpartum, breastfeeding, an infant or child, an eligible person usually receives benefits from 6 months to a year, at which time they are required to re-apply.
