

Youth Garden Workshop

Start Small: Grow BIG Ideas

Join local agriculture and gardening experts at an interactive event focused on planning, developing and sustaining gardens for youth education.

Topics include:

-  Practical Garden Design, Plant Selection, Soil Health
-  Garden Safety and Sustainability
-  Connecting Garden Education with State Standards
-  Garden Demonstrations and "Make and Take" Activities

The workshop includes: overview of gardening resources, networking opportunities, primer of interactive activities for youth, dinner and door prizes. A limited number of partial scholarships available to assist with the workshop registration fee.
